

Acadia Wind Ensemble

A Premier Maine Group of Musicians Dedicated to Promoting Music Education,
Professional Development and Love and Passion for Instrumental Music

We are a group of musicians comprised mostly of music educators from the state of Maine who are joining together in professional development and music education to bring our love and passion for music to the general public. This year, we are pleased and excited to bring back Maestro Anthony Maiello from George Mason University as our conductor for his fourth year with the Acadia Wind Ensemble. This year's concert will be on August 5, 2016 at the Messalonskee High School Performing Arts Center, 131 Messalonskee High Drive in Oakland, ME at 7:00 p.m. Admission is free. Please contact Jennifer Fortin, the Acadia Wind Ensemble Manager, at 207-462-1285 or by email at jcolefortin@gmail.com for more information.

In order for the Acadia Wind Ensemble to perform we are seeking funds of support to cover various expenses. Some expenses include the conductor's fee, the concert hall, insurance, custodial services, music and publicity for our event.

We are inviting you to become our sponsors for this worthwhile opportunity. In future years we hope to expand our activities to provide workshops for music educators as well as scholarships for music study for Maine music students. We currently offer several levels of sponsorship.

Levels of Sponsorship

Maestro	\$1,000.00
Conductor	\$750.00
Musician	\$500.00
Melodic	\$250.00
Harmonic	\$125.00
Friend	\$50.00

Each level of support would come with admission to all concerts performed by the Acadia Wind Ensemble, advertising in our program as well as a thank you and mention of your level of sponsorship in the program and in any publicity that we have for our events.

Please enclose a print-ready copy of your advertisement with your level of support.

Please make checks payable to: Acadia Wind Ensemble

All submissions must be postmarked by Friday, July 22, 2016.
